# InRoads og Visualisering

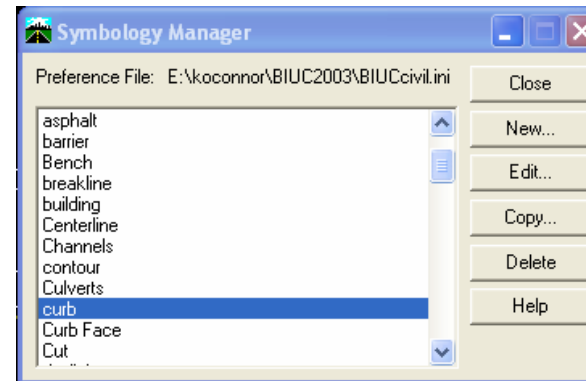

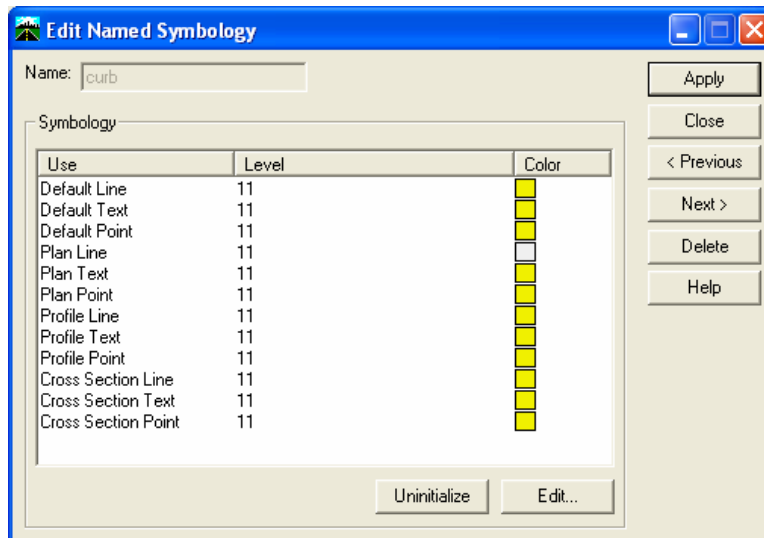

Workflow

InRoads og Visualisering

v/Michael Jepsen, Carl Bro as

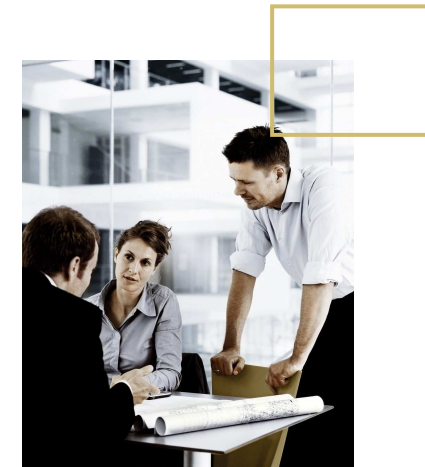

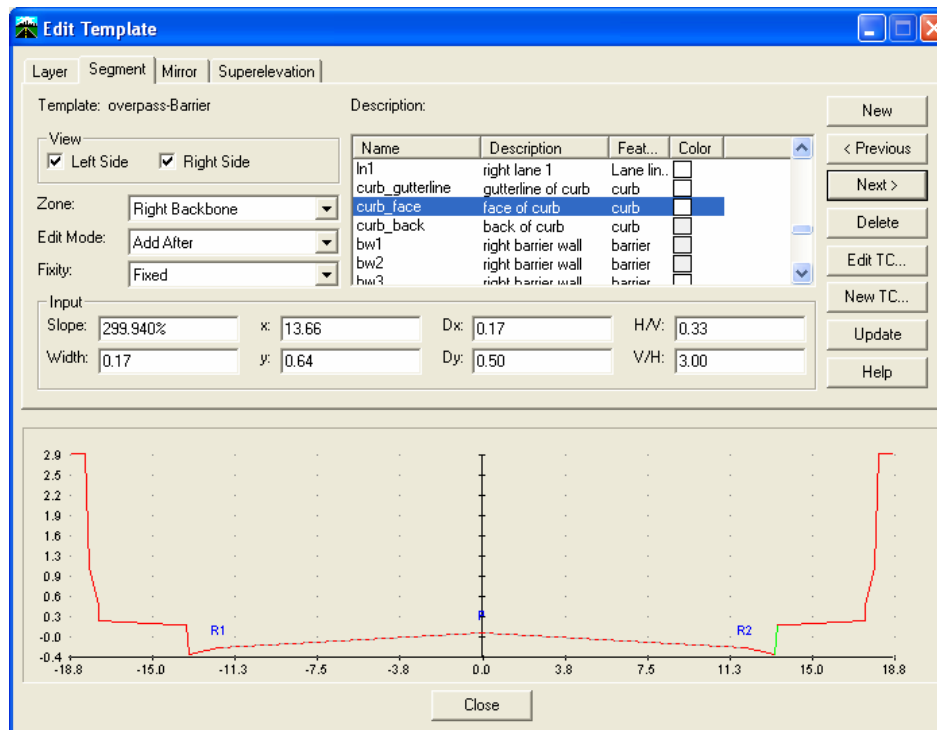

# InRoads og Visualisering

1). Create InRoads Symbologies for each different material

# InRoads og Visualisering

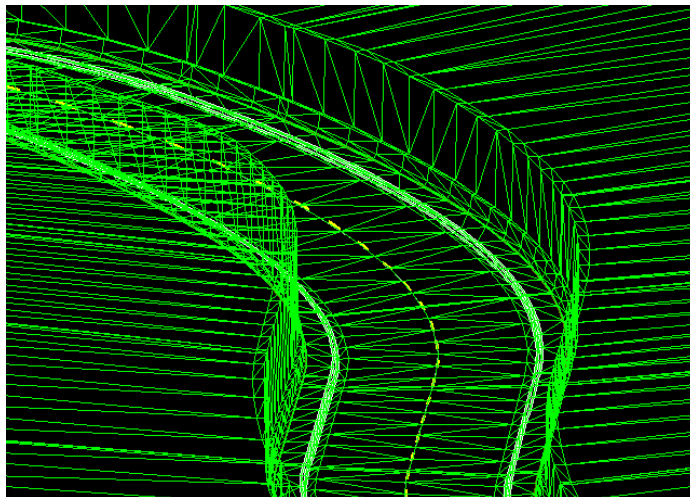

2). Create templates with Transition Controls that use these Symbologies.

---

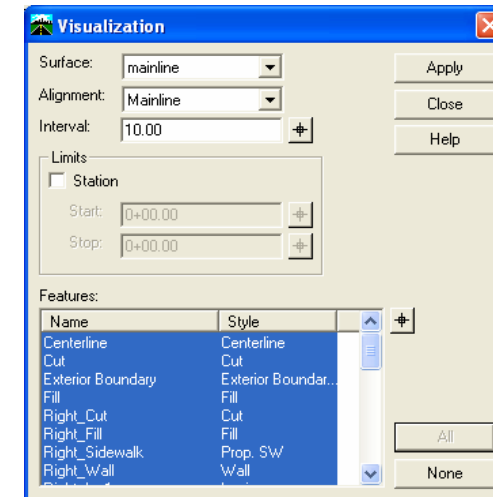

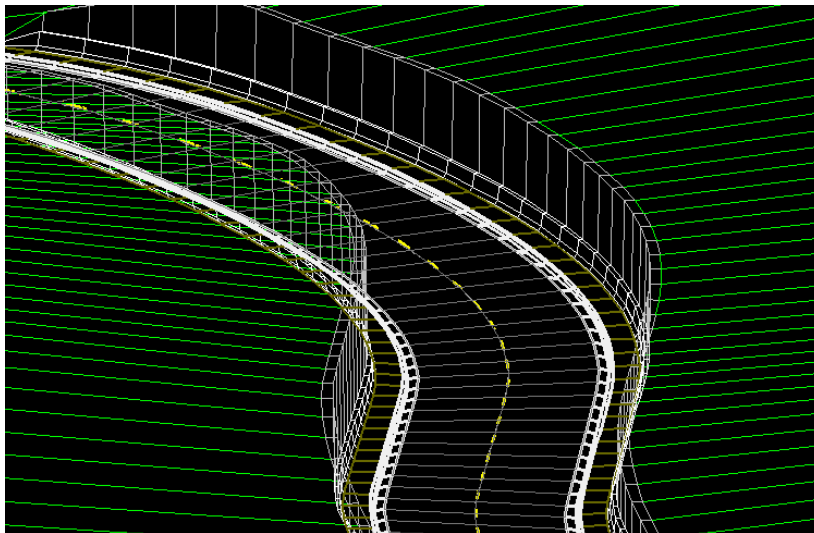

# InRoads og Visualisering

3). Run Roadway Modeler to create DTM.

# InRoads og Visualisering

4). Run Visualization tool to generate 3D shapes.

# InRoads og Visualisering

## Demo
